The album was mixed and mastered at SoundLab studios (US and Mexico) credits are: BreakThru Mixer Award the 2014 Pensado Awards, international such as Neal Schon (Journey, Bad Company), Hardline, Carlos Santana ...) Sean Enríquez, Enrique Iglesias, Paul McCartney...) (Synthpop/Darkwave, A Covenant and many more. The album includes some already known in previous editions of Raffaella and other unpublished, covers a virtual "Puzzle" where several musicians had to give their contribution and a performance by concretizing the long emotional journey the album wants to convey. "I've always used a vocal technique an indispensable element in singing songs, this time I wanted to focus more on the emotions and the intimate lyrics, there is a covertly erotic con-

this ... a travel and relationship with my soul thanks to music ".

Short Bio: Italian singer, songwriter, composer, speaker radio and more with many foreign collaborations from all over the world thanks to her very versatile voice. Born and raised in the town of "Torrazzo" of Cremona (IT), town famous for the production of its famous Nougat and in the production of Stringed Instruments that are linked to the figures of Stradivari, Guarneri and Amati. Since childhood she demonstrated a strong interest and aptitude for art activities, choosing as a didactic tool the drums and then she interested in the study of modern singing. Follow her live performances, collaborations and releases of music jobs.
